<u>6:28:19</u> PM	OPEN FOR PUBLIC COMMENT	<p>Mr. Marvin Tindell and Mrs. Joette Tindell spoke regarding their son who is in the I.B. Program at Gateway High School. They stated his grades declined after his grandparents were in a severe automobile accident, they were not able to reach the teacher for a conference, the teacher was pulled from that class during the 4th nine-weeks and closed the grade book after progress reports were sent home. They stated there is no policy that will allow their son to study for the Final Exam with a tutor and take the Final to show that he understood the concepts.</p> <p>Chairman Chalifoux thanked the parents for bringing this to their attention and asked Superintendent Muse to look into the situation.</p>
<u>6:40:37</u> PM	XV:A FEDERAL LOBBYIST	<p>Superintendent Muse stated the School District is currently under contract with Alcalde & Fay for Federal Lobbying. He stated we are also under contract with Tidwell & Associates for Federal Grant Writing services.</p> <p>Mr. Greer felt they were not going to have a lot of success dealing with the Federal Government on a district by district basis and felt they would have a better chance of receiving money by moving forward with the Federal grant writing process.</p> <p>Mr. Greer moved to send a letter to Alcalde & Fay giving them 30 days notice that they would be terminating the Agreement between the School District of Osceola County and Alcalde & Fay. Seconded by Mr. Stone. All ayes. (4-0)</p>
<u>6:45:11</u> PM	XV:B AUDIT COMMITTEE MAKEUP	<p>Chairman Chalifoux stated the Board had a discussion last month about the Audit Committee Makeup and were given two examples from Palm Beach County and Lake County. He suggested the Board think about how they should conduct our Audit Committee and be ready to discuss it at the next Board meeting.</p> <p>Superintendent Muse stated he would place that item on the agenda for the Board meeting in August.</p> <p>Mr. McKay requested the Board schedule a workshop session at some point to discuss the Audit Committee.</p> <p>Chairman Chalifoux suggested they could have the workshop at the end of the next meeting they have this month.</p>
